[60 FR 27695, May 25, 1995, as amended at 61 FR 25122, May 17, 1996; 62 FR 53691, Oct. 15, 1997]

§ 550.59 Transitional drug treatment services.

Transitional treatment programming is required for all inmates completing an institution's residential treatment program. Transitional treatment includes treatment provided to inmates who, upon completing the residential program, return to the general population of that or another institution or who are transferred to a community-based program. An inmate's refusal to participate in this program is considered a program failure and disqualifies the inmate for any additional incentives consideration, and may result in the inmate's redesignation.

(a) An inmate who successfully completes a residential drug abuse program and who participates in transitional treatment programming at an institution is required to participate in such programming for a minimum of one hour per month.

(b) An inmate who successfully completes a residential drug abuse program and who, based on eligibility, is transferred to a Community Corrections Center (CCC), is required to participate in a community-based treatment program, in addition to the required employment and other program activities of the CCC. The inmate's failure to meet the requirements of treatment may result in the inmate's being returned to the institution for refusing a program assignment.

(c) An inmate with a documented drug abuse problem but who did not choose to volunteer for the residential drug abuse program may be required to participate in transitional services as a condition of participation in a community-based program with the approval of the transitional services manager.

§ 550.60 Inmate appeals.

(a) Administrative remedy procedures for the formal review of a complaint relating to any aspect of an inmate's confinement (including the operation of the drug abuse treatment programs) are contained in 28 CFR part 542, subpart B.

(b) In order to expedite staff response, an inmate who has previously been found to be eligible for early release must, when filing an administrative remedy request pursuant to 28 part CFR 542, subpart B on an action which would result in the inmate's loss of early release eligibility, indicate in the first sentence of the request that the request affects the inmate's early release.
